

Senior Academic Position in mathematics or science Education

The Department of Mathematics, Science and Technology Education at Tel Aviv University, Israel, invites applications for a tenure-track position in mathematics or science education, effective from October 2018.

Applications will be considered from candidates specializing in mathematics or science education.

The position requires the ability to conduct independent research in the relevant field. The position requires as well teaching in Hebrew, which the successful candidate will be expected to do by the beginning of the second year of employment, at the latest. Candidates must hold a Ph.D., or receive a Ph.D. before filling the position. Post-doctoral studies are an advantage.

Salary and conditions will conform to Tel Aviv University regulations. Appointment procedures will be carried out according to the rules and regulations of Tel-Aviv University and are subject to the approval of the University authorities.

Candidates should send their applications, including a CV, publication list and samples of publications or other written work, by email, by November 15TH, 2017 to:

Professor David Mioduser
Head of the School of Education
Tel Aviv University
To Calanit: calanit@tauex.tau.ac.il

Please indicate names and contact information (address, e-mail) of at least three referents.

The position is open to all candidates. The appointment will be based on candidate qualifications and the Department's needs. The Department, Faculty or Tel Aviv University are not obligated to appoint any of the candidates who apply for the position.
